

WISH JOURNEY

A wish is not a fleeting gift – it’s a carefully planned journey, designed to complement a child’s medical treatment. It is designed to give them the hope, strength and joy they need to fight their illness.

A transformed life for many children – the Wish Journey is for them an experience that brings everlasting memories, converting what seems impossible into something that will be unforgettable!

Qualification
Application Children 3–17 years-old with a critical illness and medical eligibility confirmed
